Forecast For Scotland
Issued by Met Office Aberdeen
at 1600 on Sunday 26 Sep 2021

++ Valid for broadcast between 1800 and 0600

Headline:
A wet night for most, clearer in west Monday morning.

This Evening and Tonight:
Rain will continue to spread east through this evening and night, some of this heavy at times especially for Moray by dawn. Far east may remain dry until late in the night. Clearer in the west by dawn.

Monday:
Cloud and rain clearing away during the morning to leave a bright afternoon with a few blustery showers. Feeling fresher than of late.

Outlook for Tuesday to Thursday:
Rain developing across the south and east on Tuesday, showers in the northwest. Becoming mainly dry on Wednesday. Further rain will spread east on Thursday.
